Sampel Compers, president of the American Alliance for Labor and De-mocracy, last night cabled Premier Kerensky at Petrograd, pledges of American labor's support. The cablegram follows: Kerensky, Premier Russian Revolu-tionary Government, Petrograd Rus-sia:

At a tremendous important national

thunders of the greatest war of all time, the great Russian democracy brought to all lovers of man's free-dom a new hope and inspiration. Asdom a new hope and inspiration. Assailed on all sides by a terrible and
insidious foe, now spreading death
and devastation in its ranks and now
masquerading as a friend and penetrating, under the guise of a revolutionist into the very councils of the
revolution, the Russian democracy is
now passing through the most critical time in its struggle for existence.
The American Alliance for Labor and
Democracy sends greetings to the Democracy sends greetings to the fighters for liberty in Russia as brothers in the same cause. The aims of the Russian democracy are our aims; its victory is our victory and its defeat is our defeat; and even the traitors that assail the Russian democracy liberals assail us. In the mocracy likewise assall us. In the conflict for the liberty of Russia, the liberty of America is likewise at stake. Every Russian soldier who faces unflinchingly the enemy in the field is

striking a blow for the liberty of America. The American Alliance for Labor and Democracy, representing every loyal thought of American labor and Amerthought of American had and dedicates the American working class to the support and service of the Russian democracy. It calls upon the work-ing people and the Socialists of Amering people and the socialists of the united States to strain every effort and resource in their command to the aid of the Russian democracy."
